under main roof patio area designed for relaxation. A fully ducted split air conditioning system reaches the corner of every room throughout the home. Apart from the huge family living area there is also a carpeted family lounge room able to be closed off via double internal sliding doors allowing quiet air conditioned appreciation of TV or movies away from the hussle and bussle of family activities in the rest of the home. A large solar to the grid system makes power bills almost non existent. The home is also fully security screened. The expansive wide backyard layout with its attractive private fencing is very conducive to the installation of an inground pool, a large shed or both and is easily accessible from the street due to the extra-large frontage. This special property is an amazing package with so many outstanding features you'll want to make it your forever home once you inspect. Hard to replace at the asking price of\$425,000
