Water is a huge feature with 1 MEG river allocation, PLUS bore water PLUS ample rainwater storage. This will service all property needs and requirements. Added to this you have 5 Kw solar panels to significantly reduce your power bills.

The purposely designed and built, horse complex has been maintained and is in very good order with features including numerous covered stables with large day yards, that are powered and watered with a separate 40-foot container tack room. Featured also, is a lit outdoor horse arena on the property, so you can work your horses in the cool and peace of the evening. This is particularly handy for those riders who have to work all day. There are several paddocks with improved pasture.

This property offers the opportunity to capture a rural lifestyle, entertain, relax and maintain and enjoy your horses with quality improvements and infrastructure. Have the Best of Both Worlds!

We invite you to dig the spurs in to secure your dream!
