step out onto the lovely front veranda where the family spend most of their evening meals whilst watching the magnificent sunsets and stars in the clear night skies. Off the modern and neat kitchen, there is a back porch which is a beautiful place to have those morning cups of coffee. You will also be able to step out onto a back porch from the master bedroom designated for the additional construction.

The family need to relocate for work, so this much-loved family property is offered for sale at a lower price as construction of the extension has not yet been completed. If you have access to a handyman (or woman) you can complete the project yourself whilst still living in comfort and add great value to the property.

A three bay partly enclosed (3 sides) carport is near the house and holds the 3.2kw solar panels. A lockable 4 bay shed provides an excellent workshop and huge storage area. There is also an enclosed high clearance truck shed. The block is fenced into two paddocks, has a bore and dam and some basic stock yards.

This block could satisfy on many counts – from horses to motorbikes, or quiet contemplation at sunset or star gazing, or just having a quiet retreat far away from neighbours but still close enough to schools and town – 32 mins (34km) from Rockhampton – 4.2km to Stanwell Primary School.
