with roomy en-suite with walk-in robe is very comfortable and well presented. All windows have a lovely rural picture view. Make friends and enjoy the wildlife sitting on your front porch in the shade of the large poinciana tree. It is a great place to just "chill" away the outside world at the end of the day.

There is a carport attached to the house, a 3 bay carport and a large quality lock up 11 x 19m machinery shed.

Water capture and access is a feature of this property with 75,000 L rainwater tanks available plus a water licence to pump quality water from the creek. There are also 2 dams on the property for stock. The property would suit horses or cattle.

Drive up the hill (4-wheel drive track) for ocean views. Imagine the potential as well for creating mountain bike riding tracks over the back of the property and up the hill, and even create your own Hip Camp business inviting campers and caravans to enjoy the surrounds. Combine the idea of campers and mountain bike riders and you may hit a sweet spot for a business idea. The potential is here to explore these business opportunities or just to have the space to yourself.

The machinery on site is negotiable.
