A wide front patio continues under roof to the 3+ car accommodation area. This adjoins the massive outdoor, under main roof, entertainment area creating a cool hub to catch the breezes on those hot summer days. Rainwater tanks supply the home and unit's water requirements and the dam and bore are for livestock and garden. The excellent bore can support up to 5 sprinklers at one time.

A special bonus for this property is the separate quality gyprock and tiled studio unit with carport to accommodate guests/elderly parents, or simply be a parent's/teenager's retreat – depending on the highest need.

Properties like these are like hen's teeth and won't last long in this current market – especially with the unit, so don't delay. If you are looking for the opportunity to give you, the family and the pets, room to move and still be within a short drive to town, then call Alan Cornick 0418 792 888 or Leonie Wheeler 0428 199 930 to arrange an inspection.
