Upstairs features hardwood floors, a modern kitchen, open-plan lounge and dining area, split system air-conditioning and three bedrooms, two with built-ins. The master bedroom and additional bedroom are air-conditioned, while ceiling fans are in all bedrooms. The home provides year-round comfort, and faces south, capturing a pleasant aspect and natural airflow.

Downstairs offers an opportunity for dual living with an air-conditioned tiled rumpus room with gyprock-lined walls and ceiling, an additional bedroom/utility room, second bathroom, laundry, undercover patio and internal access to the double garage. A standout feature is the concealed mechanic's work pit beneath one garage bay – ideal for the car enthusiast or home mechanic for car servicing.

Outside, the large, fully fenced yard provides security for children and pets, with excellent side vehicle access and plenty of additional off-street parking. Garden enthusiasts have a blank canvas to create a dream garden in the backyard. There is plenty of room to install a pool and create an outdoor entertainment area.

The level, well-drained allotment offers space for extra vehicles, trailers, boats, or future improvements.
