Special Home! Elevated at Red Hill

Set on a hilltop with an Easterly aspect and views over the city from the cool covered rear entertainment patio. This beautifully constructed 4 bedroom brick veneer home is guaranteed to impress. Room for 3 cars. Also wide access to backyard. The internal design of this home is well thought out and features an attractive entrance with brick planter box. The spacious tiled lounge catches the Easterly breezes through large double sliding glass windows. The highly functional built-in kitchen with lots of pantry space opens to a very large tiled family room which in turn opens onto the back patio. Quality split system air-conditioners cool the lounge and main bedroom. Three of the four bedrooms are built-in. The tiled bathroom has a bath, separate shower and can be accessed from the main bedroom. The home is fully security screened. There are 2 toilets and the laundry is a separate room. There is a 3
